Holding Feet to the Fire on Marriage!

(Ephesians 5:31) "For this reason a man shall leave his father and mother and shall be joined to his wife, and the two shall become one flesh."

Over the next two years Iowans will see Republican and Democrat Presidential candidates traipsing through our state appealing for important caucus votes as we help decide who will be the 2008 party nominees. This gives Christian Iowans a unique responsibility to determine where these candidates stand on marriage. In June, we can put many of these presidential candidate's feet to the fire as they show whether or not they stand for the traditional definition of marriage which our country has accepted since its inception.

On June 6th U.S. Senators will have a significant opportunity to stand for traditional marriage as they vote on the Federal Marriage Amendment which would recognize marriage as between one man and one woman. Potential presidential candidates such as Sen. John McCain (AZ), Sen. Bill Frist (TN), and Sen. Sam Brownback (KS) along with many Democrat Senators will have the opportunity to show their true convictions on marriage. Now is the time for us to hold these potential Presidents accountable!

Please visit the Religious Coalition for Marriage (www.rcm.org) and take action. At this site these senators can be contacted directly through preprinted postcards, letters, and emails. And please be aware as these candidates enter your communities by making sure they are asked and directly answer questions regarding their convictions on marriage. Our country and all the Christians in it are depending on you!
