ATTEND YOUR CAUCUS ON JANUARY 3rd!

Thanks to our first-in-the-nation caucus, hardly a day goes by when we do not see one or more presidential candidates swinging through our state in hopes of earning our vote in the caucuses. Because of our state's unique position, we not only experience a tremendous amount of access and exposure to the candidates, but we also have an opportunity to exert a tremendous amount of influence over the nominating process. Candidates who perform well in Iowa will no doubt gain sizeable momentum in the states that follow. That is why it is vitally important for us as Christians to attend the Iowa Caucuses and stand behind a pro-life, pro-family candidate.

Because of the high importance of this event, ICA has produced several tools which we hope will be helpful to your caucus preparation. The first is a **Caucus Informational Packet**, an in-depth manual containing information about the process and function of a caucus, platform planks, delegate selection, and voting procedure. Portions of this packet can be obtained from our website at <http://www.iowachristian.com/ctc.htm>. The second is a **Presidential Voter Guide**, which features the candidates' policy positions on a wide range of issues. When possible, the answers are reflective of the candidates' own responses to our ICA Caucus Issues Survey. The Voter Guide can also be viewed on our website.

The Iowa caucuses are January 3. ICA urges all Christians to attend their local caucus and take part in the democratic process. If you have any questions about the caucuses or any caucus materials, please do not hesitate to call our office at 515.225.1515.
